FACULTY AND ADMINISTRATION

"Service above and beyond the call of duty" is a phrase easily adapted to TJC's faculty. The knowledge, guidance, and service of these graduates of the nation's leading colleges and universities make them a valuable asset to Thornton Junior College.

DR. J. D. LOGSDON

One of Thornton's most valuable assets is the experienced guidance and leadership of Dr. J. D. Logsdon, our superintendent.

Dr. Logsdon has been at the helm here at Thornton for the past two years, having previously served the highly-regarded Shorewood High School in Wisconsin.

Dr. Logsdon received his B. Ed. degree from Illinois State Normal University and his M.A. and Ph.D. degrees from the University of Chicago.

LEE DULGAR

Life at TJC wouldn't be the same without the interested guidance of our friendly and helpful Dean, Mr. Lee Dulgar, who manages to find time in his busy schedule for personal consultations with many students of the college.

Dean Dulgar has his B.Ed. from Eastern Illinois State Teachers College and his M.A. from Northwestern University.

BOARD OF EDUCATION

Conscientiously carrying out their administrative and policy-making obligations, the Board of Education has contributed greatly to the smooth running of both Thornton High School and Junior College.

First row: Mr. F. Ehlert, Mr. W. Kane, Mrs. M. Pebworth. *Second row*: Mr. H. Greiner, Mr. H. Vandenberg, Mr. H. Gouwens, Mr. R. Reese.

PTA

Ever ready and willing to assist schools officials in handling affairs of the Junior College are the members of the Thornton Township Parent Teachers Association.

Left to right: Miss R. Brown, Mrs. J. Wood, Mrs. R. Carmichael, Mrs. G. Wagner, Mrs. H. Blackstone, Mrs. C. Schroeder, Mrs. R. Wolf, Dr. J. Logsdon.

JAMES L. BECK

Another well-known figure on J.C.'s campus, Mr. Beck, was appointed assistant superintendent last year and continues to aid Dr. Logsdon in the administration of the High School and Junior College.

Mr. Beck received his A.B. and B.S. degrees in Education from Ohio University and his M.A. degree from the University of Chicago.

MISS GRACE HOLTON

Although her official title is Dean of Women, Miss Holton has given valuable counseling to the men as well as the women of Thornton Junior College. Much of the success of T.J.C.'s social activities is due to Miss Holton who is sponsor of the Coed-Club and co-sponsor of the Student Council.

Aside from these varied activities she teaches English literature, contemporary novel, and Shakespeare.

Miss Holton received her B.A. and M.A. degrees from Duke University.

MISS DORIS HALVERSON

The J. C. library is a good place for learning and study, thanks to Miss Halverson, our capable Junior College librarian.

With her extensive background of library science work, Miss Halverson is well prepared to assist students in their studies.

She received her B.A. from Macalester College and her B.L.S. from Drexel Institute.

A dozen-minus-two JC lovelies framing the doorway of the Hallowe'en tea.

Initiation time for freshman girls.

Where did *this* football team come from? It's our guess that they were called in to confuse the opposition at the Homecoming game.

ACTIVITIES

Extracurricular activities are designed to do more than just while away the time. Students benefit greatly from the release of classroom tensions and get some relaxation from study.

Many students looking for something to do in their spare time have found the answer in TJC's wide program of extracurricular activities. Of course, there are always those extra, added attractions not listed in the program . . .

. . . a simple, informal coke date.

Chosen to reign over the Homecoming dance were Elaine Popovich and Bill White, with Gale Anderson and Bob Nelsen doing the honors for the royal pair.

HOMECOMING:

Alumni attending this year's Homecoming festivities found that the appearance of the school may have been changed with the misplaced campus and new buildings, but they also found that JC is still basically the same old school in spirit, because there are some things that never change.

For instance, Dr. Jewell is still picking sponges . . . Mr. Britton still keeps his pencils sharpened . . . Mr. Ring and Mr. Botts now have a new chem lab resulting from an unfortunate misplaced decimal point during an experiment in atomic fission last semester . . . Mr. Sprague is still *rattling* off his econ facts and showing his greenbacks . . . the long-suffering faculty is still putting up with our collegiate antics . . . and the same old policy still prevails — NO GAMBLING IN THE UNION ROOM.

Lovely Queen Elaine receives gallant assistance from her handsome consort of the evening.

Homecoming court members: *seated, left to right*: Judy Machin, Carol London, Elaine Popovich, Mary Jo Feldes, Sandi Dawson. *Standing, left to right*: Chuck Lacey, Dennis O'Connor, Bill White, Ken Stelter and Bob Doster.

The Homecoming dance was held in the gymnasium, with the music of Don Baker's orchestra.

Our ubiquitous photographer caught these two charmers trying to sneak in the back way. For some reason we don't quite understand, he finally opened the gate for them.

GYM JAMS

Not all junior college athletic activity is confined to regular sports like football and basketball. Occasionally the gym and pool facilities are turned over to the student body for a small fee, in order that they may work off their accumulated aggressions and generally enjoy themselves. However, they always seem to have some aggressions left over . . .

Our sports editor, photography experts, and other assorted kibitzers have not been able to identify this dive.

A modern water pipe designed by one of our more brilliant JC scientists.

There is one function at JC where no women are allowed, namely the Men's Club smokers. Members forswear female companionship for an evening by themselves, watching movies, enjoying refreshments, and—smoking! This year's film fare included such carefully chosen items as "The Caine Mutiny" and "Casanova," the latter starring some French actress known as BB whose scenes were all cut out of the picture (at least the board members tried to explain it that way).

SMOKERS

Men's Club board members; *seated, left to right*: Ken Stelter, Tony Sarna, Mike Bielicki. *Standing, left to right*: Steve Kardaleff, Terry Francis, Harry Paarlberg. *Not pictured*: Gene Roeder.

The Men's Club consists of four officers, a seven-member board, and just about everybody in school. (It's been rumored that more women than men are members, but that's impossible with our ratio.) Besides sponsoring the smokers and chasing high school cars out of the JC parking lots, members of the Men's Club also present the annual Sleighbell Ball. As our Dean of Women puts it, "What would a college be without men?"

MEN'S CLUB:

COED CLUB

The Co-ed Club has as its members all of the girls at JC, divided into seven sororities led by the following:

Alpha ---------- Sandi Dawson
Beta ---------- Rose Belmonti
Gamma ---------- Sandy Roberts
Delta ---------- Martha Brainard
Epsilon ---------- Marybeth Foley
Zeta ---------- Chris Fox
Kappa ---------- Elaine Popovich

Each sorority works in the kitchenette for a month, has a selling project and either a luncheon, tea. or dinner. For these activities and for participating in other college affairs, each receives a certain number of points. At the end of the year, the sorority accumulating the most points is awarded the Activity Cup.

The Co-ed Club also sponsors the Staggette dance, a turnabout affair to which every *femme* can invite her favorite fellow. Another item of interest to the men of the college is the publication (for members only) of the Co-Etiquette, a booklet containing among other things the address and phone number of every girl in school.

Anything that concerns all of TJC is also the concern of the Student Council. They take care of all the business problems and sponsor many of our major school events, such as the Homecoming activities, the Valentine dance, and the Prom.

Elected members are the freshman and sophomore representatives. The publications staffs choose someone to represent them, while the presidents of the Co-ed Club, the Men's Club, the freshman class and the sophomore class are ex-officio members.

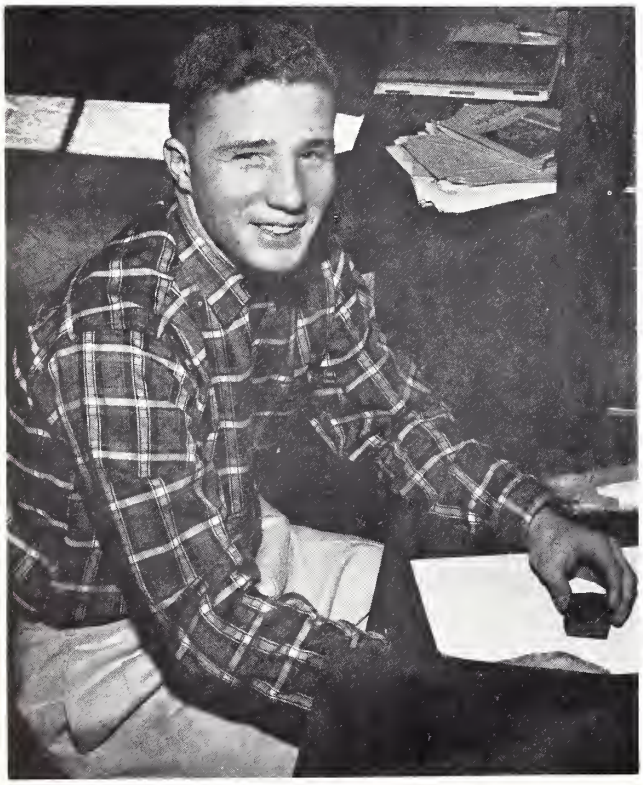
This tight-knit, smooth-running organization has done a lot for our college in the past year, even managing a quorum at some of the meetings.

Left to right: Steve Kardaleff, vice-president; Kathy Wognum, secretary-treasurer; Bob Doster, president.

Editor-in-chief Martha Brainard, reluctantly responsible for this year's edition, and very fond of fifty-cent words.

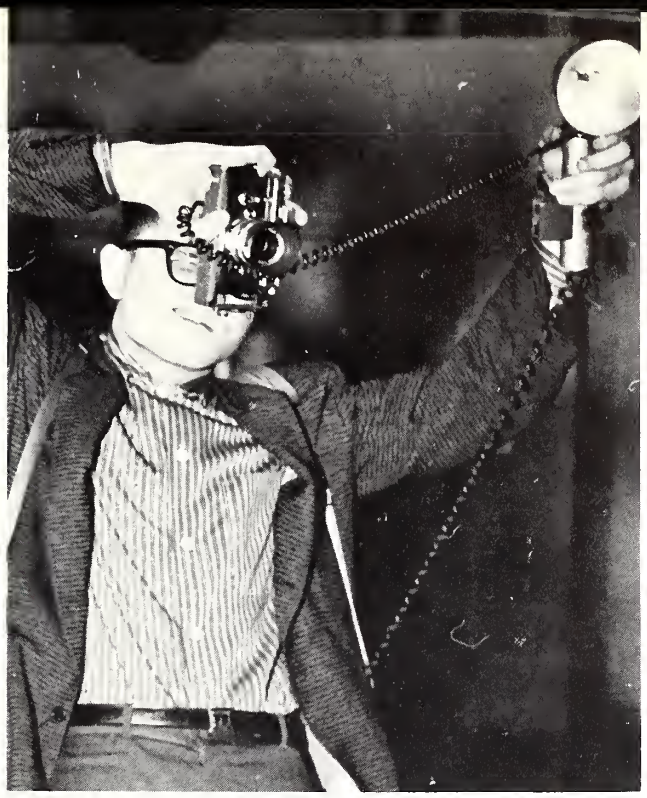
Caldron literary co-editors Chris Fox and Diane Goodwin, hard-working copy writers and spelling consultants.

Our paripatetic business manager Dennis O'Connor, in charge of money and advertising.



Sports editor Don Anderson, always cheerfully cooperative in getting things done.

Assistant editor and chief prop-hauler Don Melander and assitant literary editor Jackie Kroll, two extraordinarily talented staff members.



Photography editor Joe Eberhardt, the "man with the camera," whose photographic eye covered many JC activities.

NOT PICTURED

Ben Flynn—first semester photography editor who went west in search of new models for his pictures.
Nancy Burgoyne—*Caldron* typist who patiently deciphered that stuff written in Sanskrit which we called copy.
Terry Francis—who contributed his journalistic talent to the organization of the yearbook.

As perhaps you have already noticed, this yearbook looks a little different from some of the others you've seen. We endeavored to make the 1959 *Caldron* more unique by using an unusual theme, along with attention-getting pictures and copy. We hope that we have succeeded in making the record of this past year's activities a truly memorial one.

Work on the *Caldron* involves taking pictures, writing copy, and procuring advertising — that's all. By now, we've forgotten the headaches and are just remembering the fun we had in putting the book together.

Our college newspaper is a biweekly record of everything interesting that happens around JC. However, few people realize the tremendous amount of time and effort that goes into the makeup of our happy-go-lucky tabloid. The lights have burned late in the *Courier-Caldron* office and adjoining Union room, where the editors and staff are busily writing heads and copy. When at last the pages are sent off to the printers, everyone goes home thankful to have survived another issue. To quote an editor: "We don't necessarily want praise or thanks for what we did, because we also had a lot of fun; but we could have used an occasional tranquilizer."

Terry Francis, *Courier* editor-in-chief

FRENCH CLUB

L'ALLIANCE FRANCAISE

At French club meetings this past year, members enjoyed games and songs and learned something more about the language, since conversational French is different from formal exercises. The group is under the sponsorship of Miss Florence Wunderlich.

WAA Officers; *left to right*: Judy Foster, treasurer; Diane Richardson, president; Dorothy Platell, secretary.

WAA

Swimming, volleyball and fencing were just a few of the sports enjoyed by the members of WAA this year. The group also sponsored our gym jams, and held a house party for all members at the end of the year. WAA is sponsored by Miss Marthalou Gray.

CHEERLEADERS

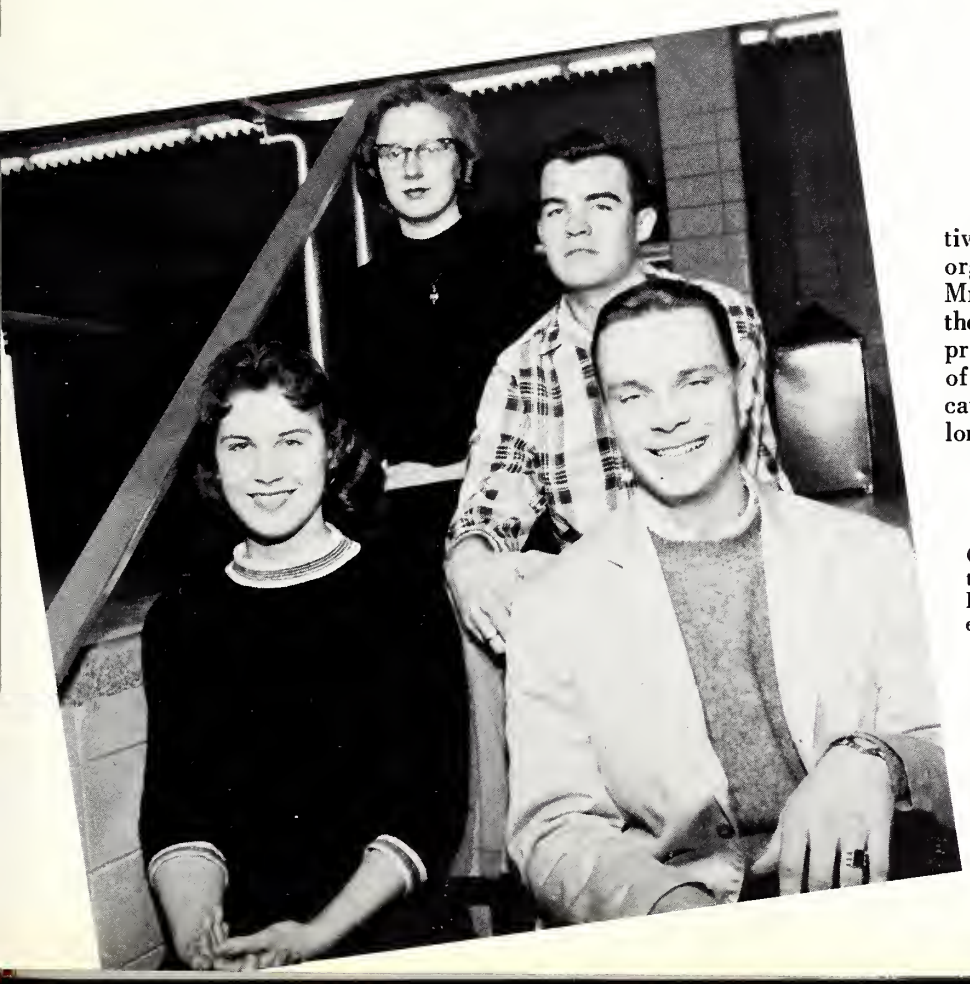
The six members of our peppy cheerleading squad, captained this year by Helen Ostrowsky, did a swell job of keeping our spirits up at the football and basketball games. The cheerleaders had as their sponsor Miss Geraldine Wetzel.

Cheerleaders; *clockwise*: Mary Jo Feldes, Carol Hercules, Sue Sasso, Sandy Lotz, Rosemarie Belmonti, and Helen Ostrowsky, captain.

DRAMATICS

The hard-working members of the dramatics club put on two productions this year. The hilariously funny one-act play "Goodnight Caroline" was presented at the Christmas convocation. During the second semester we saw the successful production of Tennessee Williams' delicate poetic drama, "The Glass Menagerie." The drama group is sponsored by Miss Joy Ganyo.

Drama Club officers; *left to right*: Millie Havill, president; Steve Kardaleff, vice-president; Kathy Michalski, secretary-treasurer.



CHORUS

As a part of our revitalized activity program the JC chorus was organized under the direction of Mr. Lyle Hopkins. Members of the chorus met twice a week to practice and presented a program of songs at the Christmas convocation. Thanks to the warblers — long live the JC chorus!!!

Chorus officers; *clockwise*: Ken Stelter, treasurer; Judy Muench, vice-president; Barbara Anderson, secretary; Al Pinger, president.

SLEIGHBELL BALL

The Sleighbell Ball, presented annually by the Men's Club, was held this year at Cherry Hills Country Club. The atmosphere of mistletoe and holly was beautifully accentuated by the music of Henry Butell. The pause upon entering the dance at the archway, generously decorated with mistletoe, was welcomed by all — especially the men of the college.

Members of the Staggette court; *seated, left to right*: Sue Withers, Kathy Wognum, Carol Hercules, Sandy Roberts. *Standing, left to right*: Carol London, Elaine Popovich, Sandy Lotz, Sandi Dawson.

THE STAGGETTE DANCE

Co-eds and their dates danced away the hours to the dreamy music of Don Baker's orchestra in the Breakers Room of the Sherry Hotel on March 21, 1959. Highlight of the evening was the crowning of the Sweetheart by the Maid of Honor. Sophomore members of the "Isle of Dreams" court were Sandi Dawson, Carol London, Elaine Popovich, and Sandy Roberts. Freshmen court members included Carol Hercules, Sandy Lotz, Sue Withers, and Kathy Wognum. This year's Co-ed Club turnabout dance was truly a memorable evening for all concerned.

BOULDERINO

A gala affair occurs annually when the women of the college watch their heroes wage the Boulderino War. The battle starts when the freshmen males challenge their sophomore rivals to a tug-of-war. Is this war waged under normal circumstances? No! The contest must be held over a fresh, spring creek, the winning class obtaining victory only after they have pulled the opposition through the creek. In these pictures we see the sophomores as victors. They, of course, win the Boulderino, a large, ugly rock. But . . . it *is* a symbol.

PROM

The night of May 30 is one of the biggest events of the year. Hearts are light and gay on this wonderful eve, for the students of JC are at the prom. The worries of school are over and all have time to breathe now that the finals have been triumphed. The girl in her dazzling gown looks up with sparkling eyes at her guy in his sharp tux as they dance to the dreamy music of Vic Faraci in the romantic Skyroom of the Sherry Hotel. Yes, this year's prom was perfect . . . it will remain among our memories throughout the summer months . . .

SPORTS

One of the major interests in college life is the recognition of and participation in sports. Besides providing entertainment and fierce competition sports present a necessary program of physical fitness. At JC there is a sport open to everyone, whether he is interested in the spectator's sports such as football, basketball, baseball, and track, or whether he just has a good time being active in such things as bowling, golf, and intramural sports. Not only are the men of the college provided with a sports program, but also the women are provided with their WAA activities. And even if you aren't interested in any of the above, the college has had the fortunate foresight to provide us all with — Phys. Ed. . . .

. . . and they said, "It's not whether you win or lose but *how* you played the game!"

FOOTBALL REVIEW

During the last football campaign Coach Schloss faced the major task of rebuilding practically the whole TJC team. To show what a fine job he did, the Bulldogs won their fourth consecutive conference title with four wins, no losses, and one tie.

Although they were unable to keep their string of wins alive because of the loss of two non-conference games, the Bulldogs continued to reflect credit on their school.

BASKETBALL SQUAD

Tom Rossman . . . Center

Frank Thomas . . . Forward

As this basketball campaign began, Coach Schloss was faced with the fact that there was only one returning player from last year's squad. But this player was Dave Ring, TJC's second highest scorer last year, so this was a good nucleus to build around. And build he did, with Rich Brown, a terrific all-round player, Bob Kiersey, a good steady forward, and Doug Etchason and Frank Thomas, the playmakers.

At half-season two fine players named Paul Goebel and Woody Godman joined the squad. The Bulldogs also had good bench strength in Byron Conant, Ron Burke, Tom Rossman, and Ken Vollman.

This squad, with Dave Ring and Rich Brown providing most of the scoring punch, carried TJC to its finest season in recent years, with a record of 13 wins and only 6 losses.

BASEBALL REVIEW

Last year under the direction of Mr. McAlvey, the TJC Bulldogs tied for second in the conference with a 7-2 record. They won all six non-conference contests to wind up the season with a very respectable 13-2 record.

Last year's squad was comprised of Ron Burke, Gene Harmeyer, and Jack Flynn, pitchers; Craig Elvidge, catcher; Gene Harmeyer, first base; Tom Hertz, second base; Wally Shatkowski, shortstop; Rich Madsen, third base; and Tom Seliga, Gene Silvey, John Budel, and Jack Frye, outfielders.

GOLF REVIEW

Left to right: Dennis Feld, John Cherry, Jimmy Benner, Coach Robert Anderson, John Corson, Dave Hager, Bill Hambric.

The TJC divet diggers, otherwise known as the golf team, under the direction of Mr. Robert Anderson, had a very successful season.

The Bulldogs played two dual matches against Joliet, and a triangular match against Wright and Lyons, winning all three matches.

Thornton, however, placed third in the conference, as the title was decided when all four teams met at Bull Run golf course.

Mike Riley, Larry Scott, Skip Mugg, Frank Michalowski.

TRACK SCHEDULE

The 1958 track team did another fine job. At the Wheaton Relays in which our Bulldogs placed third, the mile relay team composed of Skip Mugg, Dave Ring, Ken Haddon, and Keith Julle took first place.

The team was comprised of Skip Mugg, 220 and quarter-mile run; Larry Scott, hurdles and high jump; Ken Haddon, 100-220 and 440-yard runs; Rich Genovese, shot-put; Keith Julle, half and mile runs; Frank Michalowski, one and two-mile runs; Dave Ring, 220, quarter, and half-mile runs; and Mike Riley, hurdles, broad jump, and high jump. Mike Riley holds the conference record in the high jump at six feet.

Mel Brosseau, Dave Ring, Ken Haddon, Keith Julle.

BOWLING

There was so much interest in this year's bowling league that it had to be expanded to include twenty-four teams. The bowling took place at Coral Lanes in Markham, with the league divided in two sections of twelve teams each.

This year as in past years, the Christmas party was a success, along with the annual bowling banquet held at Cavallini's on May 20th.

Trophies will again be awarded to the top teams, at the banquet. The bowling league ran smoothly under the able leadership of its officers, President, Dennis O'Connor; Vice-President, Carol London; Treasurer, Jim Firrantello; and Secretary, Nancy Burgoyne.

Bowling Officers; *seated*: Carol London, Nancy Burgoyne; *standing*: Jim Firrantello, Denny O'Connor.

INTRAMURALS

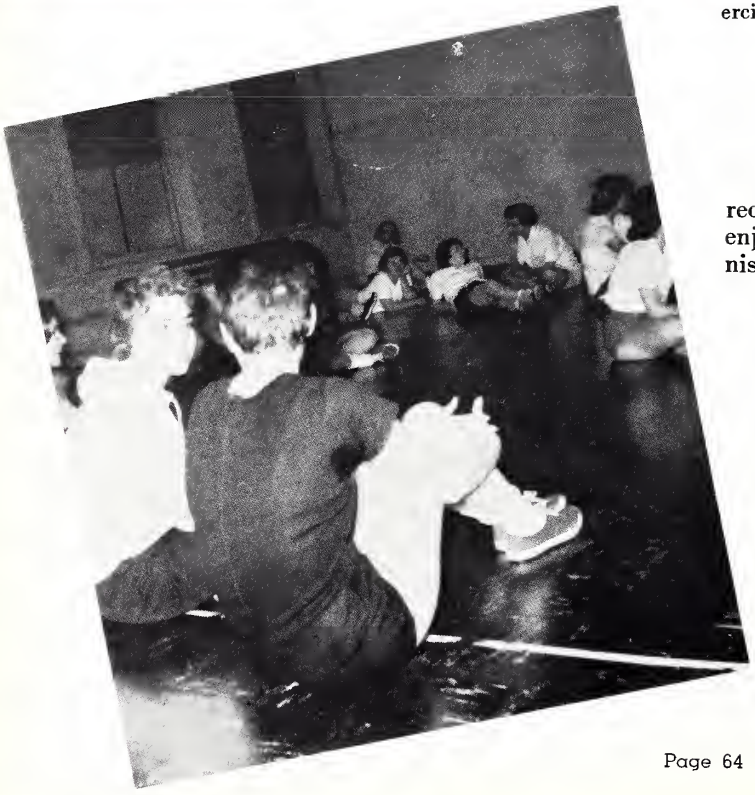
Don Anderson, chairman of the intramural program.

The 1959 Intramural basketball program under the direction of Mr. Carl Mendenhall, faculty adviser, and Don Anderson, general chairman, got off to a shaky start but the games were played on a fairly regular basis after the varsity basketball season was over.

Because of added interest this year the league had to be expanded to include seven teams. The seven team captains were, Argen Byvoets, Paul Murphy, Tom Kee, Rich Madsen, Rich Brackin, Bill Starzyk, and Clarence Williams.

WOMENS PHYSICAL EDUCATION

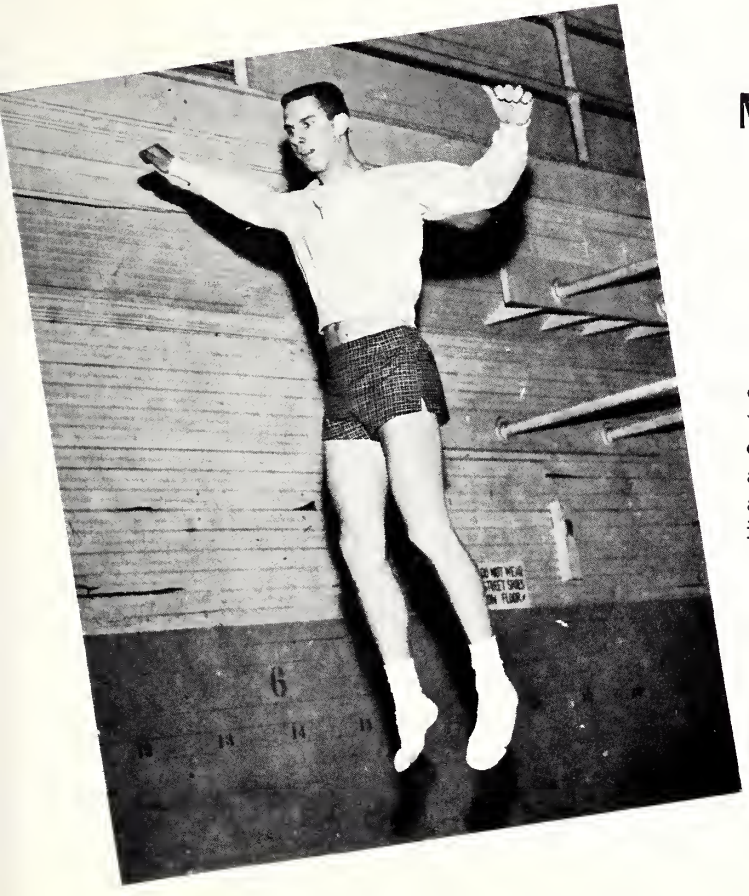
Let no one say that JC's women didn't get their exercise . . .



This year as in the past, Miss Gray, has directed the Women's Phys. Ed. Classes. The women enjoyed a wide range of activities including tennis, volleyball, archery, swimming and golf.

. . . But come to think of it, they got their rest, too.

It's obvious . . . and we're tired of writing copy!!!



MEN'S PHYSICAL EDUCATION

. . . And the men of the college got their daily exercise, too . . . or at least twice a week. Besides working out on the trampoline and enjoying their calisthenics the men participated in such activities as football, basketball, swimming, weight lifting, and various other sports, including ping pong (or is that table tennis?)

SOPHOMORES

If anyone could write a paper on the advantages of a junior college it's a sophomore, for after only two short semesters he is a big man on the campus. He is a man looked up to by his inferiors — the freshmen of the college. Is this possible at a four year institution? Yet the sophomores do have their problems. It is in their domain to take on the principal responsibilities of running the college. And among their sundry duties is the giving of their "wise" guidance to the lower class of college men and women. But the sophomores have a larger problem at hand, that of deciding what to do after JC graduation. Some will thus terminate their career of scholarship, but the majority will go on to the institutions of yet higher learning. Whatever they do, we congratulate them on their splendid performances at TJC and give them our best of luck and good wishes as they leave the portals of our college for the last time.

FRESHMEN

The freshmen entered the college this year as they have entered in the past and will enter in the future — with big round eyes and very naive hearts. But this soon passes. First, they are oriented and here is where the freshmen get a jump on the sophomores, for the sophomores are oriented only once while the freshmen reap this benefit twice (those *lovely* tests). After memorizing the location of the furniture in the Union Room (they have not yet accustomed themselves to seeing through smoke-filled air) the freshmen enter English 101 to write the first of many impromptu themes. Now they are veterans . . . anyone would be. Seriously, we give our thanks to the freshmen for being freshmen, for without them the college would have no future. And the future of next year looks good.

CREDITS PAGE

In winding up this year's annual, the *Caldron* staff wishes to show its appreciation to some special contributors without whose help much of the work done in this book could not have been accomplished. They are . . .

Playboy Magazine who gave us their kind permission to use their theme as the theme of our book. This number one college magazine was a source of inspiration to all of us. We truthfully hope that we did their rabbit the justice it deserves. Thank-you, *Playboy* editors.

Lili-Ann Shop, located at 177 E. 154th Street, in Harvey. They graciously loaned us apparel for one of the playgirls in a division picture.

G. C. Milhahn, Florists, located at 15130 Michigan City Road, in Dolton. We were immensely pleased when they donated the beautiful orchid seen on one of the division pictures.

20th Century Tuxedo Rental, located at 15744 Halsted Street, in Harvey. They generously loaned us the tuxedoes used for two of the division pictures. The tuxedo jacket used for the sophomore portraits were also from their establishment.

Special thanks is also due Randall Photographer, at 134 E. 154th Street, Harvey, without whose faithful cooperation many of the pages in this book would have been left blank.

And of course we give our appreciative recognition to the Norman King Company Incorporated whose artists drew our rabbit and who did the printing and publishing of this masterpiece . . .

. . . With our ratio, somebody is getting cheated.

GRADUATION

Crankshaft fargings illustrated, left ta right, far V-8 passenger car, diesel truck and heavy tractar engines

Crankshafts have been made successfully by ather methads af fabricatian and have praven ta be *gaod enough* far certain nan-critical applicatians — but far maximum dependability af the madern, campact, high campressian, high tarque engine a farged crankshaft is essential.

The farging pracess assures, ta the greatest degree passible, unifarmity and predictability af physical praperties with a minimum variance fram piece ta piece ar fram ane lacatian ta anather in the same piece.

Wyman-Gardan has been farging crankshafts since the beginning af the internal cambustian engine era and taday praduces mare crankshafts far a greater variety af applicatians than any ather campany in the warld. In a crankshaft there is na substitute far a farging, and in a farging there is na substitute far Wyman-Gardan quality and experience.
